

STAY VISIBLE STAY DRY STAY SAFE

LIGHTWEIGHT, WATERPROOF PROTECTION, WITH DETACHABLE HOOD, IDEAL FOR BUSY TEAMS.

On the ramp, in the yard or around a busy depot, poor weather cannot be allowed to slow the operation. This Hi-Vis Bomber Jacket with easy detachable hood combines Class 3 visibility with lightweight, waterproof protection designed for active roles and long shifts.

Key Features

- ✓ Quick release hood with studs to attach to collar
- ✓ EN ISO 20471:2013 + A1:2016 Class 3
- ✓ EN 343:2019 Class 3:3 waterproof and breathability performance
- ✓ Orange version also conforms to RIS-3279-TOM
- ✓ Available in sizes 2XS-5XL, with company branding options

Also available in orange

Quick Release
Hood

For exposed workplaces

The PU-coated ripstop fabric is designed for demanding environments.

The raised back collar, inner storm cuffs, front storm flap and detachable hood provide added protection when conditions deteriorate.

Comfort throughout a shift

At just 200gsm, the jacket offers a lighter-weight alternative to bulkier outer layers.

A dense mesh lining and underarm ventilation eyelets support breathability, with adjustable cuffs and a half-elasticated hem helping to provide a comfortable, secure fit.

Practical detail that matters

A retractable ID pocket remains concealed until needed; particularly useful in access-controlled aviation and logistics environments.

Detachable hood with studs to attach to collar protects against entanglement around heavy machinery.
