

TECHNICAL DATASHEET

FOR: PR-P1056-QX & PR-P1557-QX

SAFESTART KIT H500 HARDHAT VISOR HEADTOP

Built for dusty, high-risk environments, this kit delivers protection without face fit testing or the need to be clean-shaven.

- ✓ Hard hat provides certified head protection.
- ✓ Front flip visor for quick access and visibility.
- ✓ Lightweight build reduces neck strain during long wear.
- ✓ Wide field of vision for improved site awareness.
- ✓ Comfort-fit head harness with ratchet adjustment.
- ✓ Sweatband included for added comfort.
- ✓ Optional welding visor upgrade available

KIT INCLUDES

- H500 Hardhat Visor Headtop
- Blower Unit (4 or 8 hour battery)
- Standard Hose
- Decontaminable Belt
- Holdall Bag
